To whom it may concern,

Good day, Ma'am/Sir! We hope this message finds you well. We, Wynoah Tabasan & Keith Tapongot, are participants of the STTP Workshop and we would like to ask for your understanding for our absence during this session. Unfortunately, we won't be able to attend the workshop since we are currently working on our Capstone Project, and due to various challenges, including a recent change of our capstone adviser, we have fallen behind schedule.

With our deadlines approaching, we needed to dedicate most of our time and effort to catch up and continue with the development of our system to fulfill this academic requirement for our Capstone 2.

We sincerely apologize and we're hoping for your consideration in this matter.

Sincerely,

Wynoah Louis P. Tabasan

Keith Vincent C. Tapongot
